Important Notice

Due to the crisis, our current operations are under stress at JoetteCalabrese.com

We are having difficulty keeping printing supplies on the shelves due to slow delivery and an increase in orders.
Shipping to some other countries is not possible at this time. Please check the USPS site before ordering. https://about.usps.com/newsroom/service-alerts/international/welcome.htm
Most orders are shipped within 2-3 business days from our shipping center.
Audrey, Shannon and Eileen are prioritizing all Study Group orders.
Please understand we have no control over International border customs and country of destination's postal delivery systems. Some of our customers have advised wait times of a month or more for international orders.
I ask for your understanding during these unique and unusual times.
I also recognize and applaud all of you who are making the commitment to learn and use homeopathy, particularly during these strange and unprecedented times.
Be proud of yourself for your forward thinking.
This does NOT affect any of our digital courses – only booklets, Study Guides and CD's
Warmly,
