

On This Holy Day, May We Unite in Peace and Joy

My dear friend, mentor, and colleague Dr. Pratip Banerji sent this to me from Kolkata last night.

I haven't stopped singing it since then!

Click on it, and you'll see what I mean.

Peace, joy and a blessed Christmas to all!

Warmly,

A handwritten signature in black ink, appearing to read 'Pratip', with a large, elegant loop at the end.
