Dear Joette, I wanted to thank you for helping me many years ago when I was very ill. You were not only a consultant who had helped me heal with homeopathy, you were also a teacher that provided sound guidance of whole food nutrition, and a dear friend who would talk to me time and time again on the phone, helping me through some very rough times. I was thinking of you today, as I do often, and wanted you to know how much you are appreciated and needed in this world. Thank you sincerely.
