Classes and Seminars

Joette's students gather from across the globe to increase their understanding of homeopathy to use for themselves and their families. Joette offers a series of online classes and seminars with accompanying books, CDs and workbooks. This is an amazing opportunity for you to learn homeopathy from the expert herself.

For more information about Learning with Joette, click here, and we will get in touch with you soon.

Thank you.

Lectures

Looking for a dynamic speaker for your next conference? Seeking a subject and speaker that mesmerizes? Joette has audiences throughout the world jumping to their feet with enthusiasm and asking her to return again and again. If you know anything about her passion for the subject of homeopathy in the home and incorporating nutrient-dense foods with

a dash of common sense, then you can get a glimpse of the stir she makes when speaking. For more information about Hiring Joette to Speak at your next event, click here, and we will get in touch with you soon. Thank you.
