

A Blessed Easter 2026

My dear friends, today I wish each one of you – regardless of your beliefs – a joyful, rewarding and uplifting Easter.

The story of Easter is undoubtedly the greatest story ever told. Knowing it will bless you.

To celebrate the importance of today, instead of a regular lesson, I offer you this gift of beautiful, meaningful music: a traditional hymn sung by [Luciano Pavarotti, "Panis Angelicus,"](#) or "The Bread of Angels." If you're unfamiliar with the translation of this hymn or its origin, this [webpage](#) will tell you more.

Easter blessings to you and your family from me, Perry and our whole team here at Practical Homeopathy®.

Warmly,
