I’d like to share some thoughts here about how much I Love the Academy of Practical Homeopathy…

I Cannot believe that I am already at week 16 ~ Sweet 16 of the Academy of Practical Homeopathy!

It is impossible for me to tell you that with all that is going on in my life and believe me~ it’s not pretty…The Academy of Practical Homeopathy is saving my life, mentally/emotionally.

I have found myself crying from time to time, only to pick up my computer and dig in deep with my studies, and have found great relief.

Am I behind in my studies? Yes, but I am not concerned and am grateful to be where I am… For all of my previous Homeopathic studies, I have never felt this level of reassurance that I shall be able to do more with Homeopathy than Birth-related Homeopathic care…

I Thank God for all Joette has done for US!
