Remedy Kits

The Top 100 and 200C homeopathy kits are no longer offered through my office, as we are unable to resupply our inventory from the manufacturer.

My branded Survivalist Kit will still be available to those students who have earned a Certificate of Completion from the "Survivalist Guide to Homeopathy."

The descriptions of the unavailable kits will remain on this page, allowing you to use the lists of homeopathic medicines as a guide when creating your own well-curated homeopathic kit.
