*Joette committed to teaching me how to help my son, Cameron. She was determined to help us get to the bottom of it. and although it took some time, her amazing love and devotion to our problem panned out. She believed from the very beginning that we could do it and we did!*

*Today he is free of medical problems because of Joette's devotion to homeopathy and to our family. She is a true blessing. God Bless Joette and homeopathy.*
